# J. PEDRO FARIA

STORE DESIGNER AND ARCHITECT

## PROFESSIONAL EXPERIENCE

### EMEA Brand Creative Retail Store Designer

**NIKE — March 2022 — Today, in Hilversum**

*Developing wide experience in the Retail marketplace. Being a fundamental piece in developing and innovating new, and renewed, store and facade designs across NIKE's value fleet in EMEA. Consistent sustainability research, design concept development and consumer and employee wellness and well-being.*

### Architect

**HofmanDujardin — October 2021 — March 2022, in Amsterdam**

**Rijnboutt — June 2019 — June 2021, in Amsterdam**

*Deep experience in detailing and with building permits. In closer contact with contractors, suppliers and developers. Managing workload and the creative process together with junior architects and interns involved.*

*Full design experience on complex housing and office projects, coordinating with BIM and advisors at different levels. Diverse conceptual and visual input and important role in renovation projects and tenders. Expert in Archicad/BIM and Revit interoperability with a relevant Sustainability perspective.*

### Freelance Architect

**Pedro Faria Architect — January 2018 — Today, in Amsterdam**

**Austigard Arkitektur — September 2017 — May 2019, in Amsterdam**

*Own project architect and coordination manager, developing single house renovation and new projects in Portugal.*

*Remote Architect, working mainly with low rise housing renovations in Norway.*

### Junior Architect

**Marc Koehler Architects — March 2016 — July 2017, in Amsterdam**

*BIM modeller, draftsman, visualisations expert and content producer on several projects, mainly working in design concept phases and competitions. Rendering, model making and mastering ArchiCad at all project levels - BIM teaching and management.*

*Partnership BIM experience with Powerhouse Company, in Rotterdam*

### Internship

**DMAU — January 2016 — March 2016, in Amsterdam**

**Roseta Vaz Monteiro Arquitectos — March 2015 — May 2015, in Lisbon**

## EDUCATION
